IN CLERK'S OFFICE Case Nos. 03-cr-929(NGG)
US DISTRICT COURT E.D.N.Y. 05-cr-060(NGG)
★ AUG 13 2018 ★
BROOKLYN OFFICE

Motion Requesting the Unsealed Cicale Plot Documents be Filed on the Public Docket

Anthony Donato (Donato), pro se, respectfully requests that the Court direct the government to file the unsealed Cicale MCG bogus murder plot documents on the public docket for case nos. 03-cr-929(NGG) and 05-cr-060(NGG).

On July 17, 2018, Donato mailed through FCI Danbury's institution mailroom a letter addressed to the Court, and also served to the US Attorney's Office, requesting that the Cicale plot documents be placed on the public docket. See attached Outgoing Mail Log Sheet and July 17 letter. As of this date, neither the letter nor the unsealed Cicale plot documents have been publicly docketed.

On June 28, 2018, the government, by order of the Court, released to Donato the unsealed documents with minimal redactions of identifying information, but failed to file the same documents on the public docket. See Dkt. 1442 and the attached unsealed released Cicale plot documents.

In his letter, Donato reasoned that in light of the ruling by the 2nd Circuit (17-45) that the public and press 1st Amendment right to access judicial documents attached to the Cicale plot documents, the government should have placed the documents on the public docket along with its June 28 letter when they released the documents to Donato.

REC'D: 8/14/2018 @ 11:00 AM. PV.

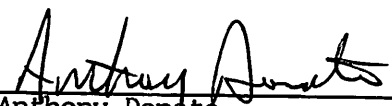

Donato brings to the Court's attention in US v. CICALÉ, 2018 US DIST LEXIS 5325 (EDNY) this Court in unsealing some of Cicale's sentencing documents found that in assuming that a 1st Amendment right to access attached to the documents at issue, "that the exclusive redaction of such information is narrowly tailored to preserve defendant's safety while doing least violence to the 1st Amendment values of judicial transparency and public disclosure." The Court directed the government to file redacted versions of the documents at issue on the public docket. See Dkts. 1437, 1437-1, 1437-2, and 1438.

CONCLUSION

As in CICALÉ, Donato respectfully requests that the Court direct the government to file the Cicale plot documents on the public docket in lieu of the 2nd Circuit's ruling that the public and press 1st Amendment right to access of judicial documents attached to these documents. The documents include the attached 6 staff memorandum, the undated Medina letter, and the unsigned affidavit, along with the prison staff affidavits and the government's December 5, 2007 ex parte letter.

Re: Letter Requesting the Unsealed Cicale Plot Documents be Filed on the
Public Docket 05-cr-060

Dear Judge Garaufis:

Anthony Donato respectfully submits this letter requesting the Court file the unsealed Cicale plot documents on the public docket in light of the ruling by the 2nd Circuit (17-45) that the 1st Amendment right to access of judicial documents attached to the Cicale plot documents. On June 28, 2018, the government, by order of the Court, released to Donato the requested documents with minimal redactions of identifying information, but failed to file the same documents on the public docket. See Dkt. 1442.

In *US v. CICALÉ*, 2018 US DIST LEXIS 5325 (EDNY), this Court found in assuming that a 1st Amendment right to access attaches to the documents at issue, "that the exclusive redaction of such information is narrowly tailored to preserve defendant's safety while doing least violence to the 1st Amendment values of judicial transparency and public disclosure." The Court directed the government to file redacted versions of the documents at issue on the public docket. See Dkts. 1437, 1437-1, 1437-2 and 1438.

As in *CICALÉ*, Donato respectfully requests that the Court direct the government to file the Cicale plot documents on the public docket. These include the prison staff affidavits, the six staff memorandum, the undated Medina handwritten letter, the unsigned affidavit and the government's December 5, 2007 ex parte letter.

Respectfully submitted,

SUBJECT: CM2 [REDACTED]

As requested the above mentioned inmate CM2 [REDACTED] did bring to my attention that he was approached by inmate DC [REDACTED] about "a hit".

In or around April 2007, inmate DC approached inmate CM2 to contact his AUSA and tell him that C/O Santamaggio approached him on behalf of I/M Basciano to place a hit on DC. This was being fabricated by DC. DC wanted to use CM2's credit ability with AUSA's to tie the story together. CM2 stated that C/O Santomaggio never had a conversation with him until last night.

I, make this statement freely without any promises or assurances:

1. That I CM2 is an inmate who is currently incarcerated at the Metropolitan Correctional Center, New York, New York.
2. That my Federal Inmate Register Number is [REDACTED].
3. That I have not been made any promises of money or compensation of any kind for the statements provided in this affidavit.

Sometime back in April maybe the third week, I notified Counselor Black, Unit Manager Eldridge, and Lieutenant Shepard that inmate DC, approached me with a proposition. Inmate DC stated that he had a way for me to get credit. DC stated that I could call and tell the prosecutors that Officer Santomaggio hired me to kill him for inmate Basciano. Inmate DC was testifying against inmate Basciano and that Basciano is part of the Bonanno's crime family. When I refused to setup Officer Santomaggio, inmate DC started doing crazy stuff in the unit. I informed Counselor Black, Eldridge and Lt. Shepard about all of this. On Monday, August 13, 2007, at approximately 5:00 p.m., Officer Tony Singh was working unit 3. Officer Singh called me to the officers station. Upon entering the officers station Officer Singh stated that Officer Santomaggio is on the telephone and he wants to know who were those three FBI agents that came to visit, "What is their name and what did I tell them about Santomaggio." I told Officer Singh that I don't know what Officer Santomaggio is talking about and what FBI agents. Then Officer Singh said for me to talk to Officer Santomaggio on the telephone trying to hand me the telephone and I said no. I told Officer Singh that I don't know what Officer Santomaggio is talking about and that I am not talking to him on the phone. Officer Singh told me again to talk to Officer Santomaggio on the phone and I said no, I don't want to have anything to do with him. After that Officer Singh could hear it in my voice that I was getting upset and he then told Officer Santomaggio that I don't want to talk to him and not to call back there again. On Tuesday, August 14, 2007, Officer Santomaggio worked unit 3 as the evening watch officer.

Received From Ms. Elden
At 12:45p.m.

On the end of April 2007 INMATE D.C. APPROACH me with A PLAN for me to be able to get A MAYOR credit from The ~~Attorney's~~ Prosecutors. He say to me that with the story he was going to give me I was going to be able to make sure that I was going to go home sooner and at the same time I was going to help him convince his Prosecutors about him being on a life threat situation while him being held in ~~NY~~ ON MCC N.Y. He said that with my credibility with the Brooklyn Prosecutor and by me being in jail for murder he hire that they will believe me and most probably the Prosecutors will get him out of jail and place him in a safe house or send him to face two on bail...

The PLAN was for me to call one of my Prosecutors and tell them that on that day officer SANTOMAGGIO who work in the hole and in the court that VINNY is being held while on trial in the south. He Officer SANTOMAGGIO had approach me with a murder contract on behalf of VINNY BASCIANO who D.C. is cooperating against. That VINNY had wanted me to kill DOMINIC CICALA for being his RAT. I ask DOMINIC: How do you know that. That officer work in the whole -- D.C. told me that he had already made his homework and that officer SANTOMAGGIO was a wanted to be mobster because he always go around talking with made guys from different families -- but with him it was different because officer SANTOMAGGIO knew that DOMINIC was the witness against VINNY BASCIANO. I told D.C. that officer SANTOMAGGIO most probably was going to lose his job or go to jail for no reason if the AUSA believe me the story. D.C. say fuck get him lock up. He a piece of shit →

Everything was OK. on till a few weeks
 later when inmate Isa- came to my cell

 officer SANTOMAGGIO want to thank me

As I told him and crossed to tell Officer Santomaggio what I had just say --- AFTER THAT Officer Singh told me that Officer Santomaggio say that all this shit about me and Dominic C. scale was hitting the courts --- And I answer to Officer Singh to stay away from all this that it was no reason for him to be delivering messages to me over the phone that this was to delicate and to live it at that -- Officer Singh saw how serious I was about the matter and told Officer Santomaggio over the phone do to be calling to this unit anymore --- AFTER THAT Officer Singh try to give me the phone telling me that Officer Santomaggio was asking for me to talk to him on the phone I refuse to grab the phone from Officer Singh. He said that I was not going to talk to nobody on the officers phone --- After that Officer Singh told Officer Santomaggio that I was not willing to talk to him on the phone and to leave him alone and not to call him anymore - And Officer Singh say to him that he don't want to be involve in nothing what was going on between us. And Officer Singh hang up the phone and then he look at me and he told me that he had enough problems and that he don't want to know nothing about nothing -- And I told him that he was doing what was right to stay away and not to get involve -- And I walk away from Officer Singh.

 all that about the phone call yesterday
 when he called officer SUGG. HE OFFER
 SANTOMAGGIO started cursing all types of
 profanities about Dominic Cicale being a
 piece of shit - a liar - a scam bag etc etc.
 and then he started to questioning me
 about everything Dominic Cicale was going
 around doing on the unit while he D.C.
 was testifying against Vincent BACIANO
 in June - officer SANTOMAGGIO had a lot
 of details of all the negatives of D.C.
 on unit - on MCE New York - and
 everything officer SANTOMAGGIO knew
 about Dominic Cicale was the truth
 when he say of Dominic sabotaging the
 food and destroying electronics and
 building animosity among other inmates
 and myself and against TSA - what it
 was not right is when officer Santo-
 maggio was trying to lie with his
 mouth telling me that I had already
 told the prosecutors about Dominic
 asking me to lie to the AUSA's about
 officer SANTOMAGGIO hiring me to kill
 Dominic Cicale on behalf of Vincent
 BACIANO while BACIANO was on trial
 so officer SANTOMAGGIO try to tell me
 that my prosecutors know about D.C.
 making all this lies while BACIANO was
 on trial and that the prosecutors don't
 do anything about it but instead they
 proceed to use Dominic to testify against
 BACIANO even though they knew Dominic
 was going around doing stupid stuff
 and lying about something so delicate
 while he was testifying - but that was
 not truth and I told officer SANTOMAGGIO
 that I had never say that and that at
